

International Astronomy and
Astrophysics Competition
Edition of 2019

3. Regional Award of America

presented to

Tiago Mariotto Lucio

29. July 2003, Brazil

Colegio Leonardo Da Vinci De Jundiai

Verify-ID: FRD-2019-5CB3548B

for outstanding results in the International Astronomy and Astrophysics Competition 2019.
The competition consisted of three challenging international rounds: qualification round,
pre-final round, and final round. Each round required problem-solving skills and
comprehensive knowledge about astronomy and astrophysics.
